Wednesdays 4:30-5:30

Classes held at a different branch every month!

@IVES MAIN IN MARCH (STARTS 3/8)

@MITCHELL IN APRIL

@STETSON IN MAY

@FAIR HAVEN IN JUNE

@WILSON IN JULY

Learn programming & teamwork! Have fun building with LEGOs! We'll be using WeDo 2.0 kits to make LEGO robots and then program them to do different things. A new project each week, come for as many classes as you'd like. Limited to the first 16 kids to show up each time. No registration. Ages 7 to 12. On the last Saturday of the month bring your friends & family to the Robot Rodeo to show them what you can do!
