

Do you want to use your library card to read ebooks, listen to audiobooks, download music, and watch tv and movies?

We have several services that let you checkout digital content from any computer and most handheld devices.

No overdue fines!

Checkout anytime, anywhere!

Thousands of materials to choose from!

Frequently Asked Questions

Where can I find these services?

On our website under the kids section: <http://nhfpl.org/kids/good-books/> Many services have apps you can download directly to your device.

How long do I get to keep the content for?

This differs from service to service, see the table inside this brochure for details. When your time is up, the content is automatically returned, no worries about late fees or remembering to return things! Some services also let you renew the content.

Are there parental controls to make sure my child is only accessing appropriate content?

None of our content services have controls to restrict content, you'll need to use the same supervision of their digital library activities as you would with physical library materials.

I'm having trouble with the app or website.

Come in to the library for all your troubleshooting needs and to learn how to make the most of these services.

**EBOOKS,
AUDIOBOOKS,
MOVIES,
& MUSIC
ON THE GO!**

Your library card can unlock great content from all of these services:
