Not interested in college and looking for something more?

Do you have a job, but want more money?

Then come to this presentation by Job Corps to jump start the next stage of your life!

Come learn about **Free Job Training!** Job Corps offers hands-on training in high-demand industries for youth ages 16 to 24. Eighty percent of Job Corps graduates either enter the workforce, join the military or go on to higher education or an apprenticeship. They are the nation's largest and oldest federally funded career training and education program, and tuition is free to income-eligible young men and women. New Haven Job Corps provides free career technical training in the following areas:

- Certified Nurse Assistant
- Clinical Medical Assistant
- Culinary Arts
- Building Construction Technology
- Carpentry
