Creative-in-Residence

Alex Gonzalez is a writer, filmmaker and virtual reality developer. With a primary focus on storytelling, Alex has led dozens of students from imagination to project completion, and is the founder of New Haven VR Developer Group. His debut VR film, *Beyond the Mountain*, premiered last year at the Jacob Burns Film Center and was the first VR film to be accepted into the Middlebury Film Festival.

Office Hours

- Tuesdays, 3 - 5pm**
- Thursdays, 12 - 2pm**

Wednesday Programming

Take your imagination and turn it into reality! Learn how to build stunning worlds and experiences in virtual reality. Using Unreal Engine, students will create their own 3D scene filled with foliage, weather, physics, and animation.

Tropical Island Paradise

July 11, 6pm

Scandinavia Medieval Town

July 18, 6pm

Low Poly Wild Western

July 25 at 6pm
