FILM SCREENING

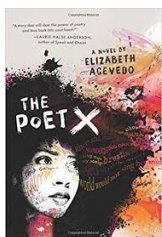

TRACES OF THE TRADE

Saturday, March 23rd 2PM

Join us for a special film screening and discussion of *Traces of the Trade: A Story from the Deep North*. Katrina Browne makes a troubling discovery-- her New England ancestors were the largest slave-trading family in U.S. history. She and nine fellow descendants set off to retrace the Triangle Trade: from their old hometown in Rhode Island to slave forts in Ghana to sugar plantation ruins in Cuba. Step by step, they uncover the vast extent of Northern complicity in slavery while also navigating their way through the minefield of contemporary race relations.
