The NHSO marks the 80th Anniversary of Marian Anderson's groundbreaking performance at the Lincoln Memorial with a concert that celebrates the perseverance of the human spirit and the ability of music to speak to power. This resonant, poignant performance will use the words of Rev. Martin Luther King, Jr; visual media by Elliott Forrest; and music by Aaron Copland, Joseph Schwantner, Daniel Bernard Roumain, and others to commemorate and examine what it means to be an American.
