

Edgardo Rodriguez-Miranda

“La Borinquena” comics creator

Saturday, June 22, 2019 11:00 a.m.

Edgardo Miranda-Rodriguez, a writer at Marvel Entertainment, and owner of Somos Arte studio will join us to share his unique perspective on art and activism!

Edgardo will talk about how growing up with a love of comic books gave light for his passion for social justice. He will address the humanitarian crisis affecting Puerto Rico via the current debt crisis and the recovery efforts after Hurricane Maria. Through his presentation you'll come to understand why he created **La Borinquena** to help bring these issues to light and also create an icon for an underrepresented community that embodies cultural pride, power, and resilience— like it's people.

Then stay to join us for refreshments and a chance to purchase signed comics.
