## Creative-in-Residence: Joel Callaway

**Joel** is a New Haven-based creative professional with a range of experience. He believes in collaboration over competition, and looks for opportunities to encourage others in their creative endeavors.

His early career was in graphic design focusing on print. After finishing an undergrad at Albertus Magnus, he successfully completed the Connecticut Film Industry Training program and worked on several production crews for film and TV. He currently works as a photographer as well as teaching multimedia classes at the University of New Haven.

### Office Hours:

Tuesdays, 5-7 pm

Thursdays, 4-6 pm

Make an appointment at: [nhfpl.org/ives-squared](http://nhfpl.org/ives-squared)

### Adobe Illustrator: Vector Love

Thursday, March 5, 6:30-7:30 pm

We'll be exploring effective logo design with pencil, paper, and Adobe Illustrator.

### Lightning In Your Pocket

Thursday, March 12, 6:30-7:30 pm

Learn a few photography flash basics by playing with small, off-camera strobes.

### DIY Rockstar

Saturday, March 21, 12-2 pm

Who needs to buy a guitar? Create a DIY single-stringed electric instrument in our Tinker Lab. All materials are provided.

### Lo-fi Guerrilla Screen Printing

Thursday, March 26, 6-7:30 pm

Screen printing can be traced back roughly 2,000 years. It's one of the most cost-effective ways to directly reproduce images and designs. We'll explore the process and make some cool prints!
