### Creative Programs

#### Fiber Arts Fundamentals: Crochet Basics

##### Tuesday, July 1, 6-7 pm

Join us for our Fiber Arts Fundamentals series, where each month we'll make a useful project using a fiber arts skill like sewing, knitting and crochet.

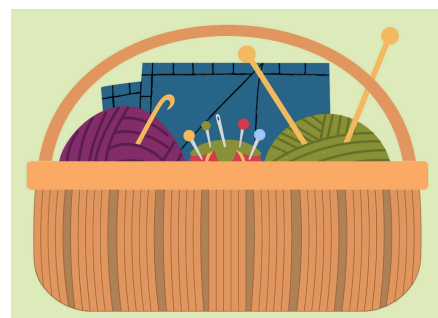

This month you can learn the basics of crochet, including how to start, basic stitches (chaining and single crochet), and binding off (ending). These are all the techniques you need to make your own scarf!

#### The Stitch Niche: A Fiber Arts Meetup

##### Tuesday, July 8, 6-7:30 pm

Bring your current knitting, sewing, crocheting, or other fiber arts projects and meet with other crafters in a casual and friendly setting! No experience is necessary. A small amount of supplies will be available for beginners.
