## Looking for new Skill Share Participants!

Skill Share is a volunteer program where participants share their neat skills with others! Ives Squared will even provide the supplies (within reason).

If you are interested in joining, you can ask for an application at the Switchboard desk or contact Rose Simpson at [rsimpson@nhfpl.org](mailto:rsimpson@nhfpl.org) for more information.

## Are you a teacher who wants to bring a class for a tour or to work on a project?

We are happy to provide this opportunity to students! We offer tours in the mornings from 10am-12pm by **appointment only**. Please call us at 203-946-8130 x 140 to discuss scheduling.

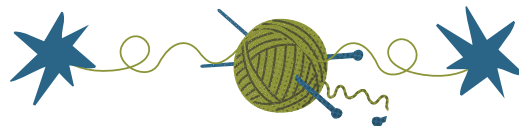

## Creative Programs

### Fiber Arts Fundamentals: Sewing Machine Basics and Mending

#### Tuesday, August 5, 6-7 pm

Join us for our Fiber Arts Fundamentals series, where each month we'll make a useful project using a fiber arts skill like sewing, knitting and crochet.

This month you can learn how to use a sewing machine to mend clothes. Bring in any of your clothes that need mending, and we'll show you how to use a sewing machine to repair them. Sewing machines are available at the library, so you can come back any time!

### The Stitch Niche: A Fiber Arts Meetup

#### Tuesday, August 12, 6-7:30 pm

Bring your current knitting, sewing, crocheting, or other fiber arts projects and meet with other crafters in a casual and friendly setting! No experience is necessary. A small amount of supplies will be available for beginners.
