Looking for new Skill Share Participants!

Skill Share is a volunteer program where participants share their neat skills with others! Ives Squared will even provide the supplies (within reason).

If you are interested in joining, you can ask for an application at the Switchboard desk or contact Rose Simpson at rsimpson@nhfpl.org for more information.

Are you a teacher who wants to bring a class for a tour or to work on a project?

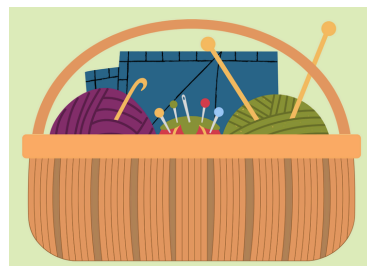

We are happy to provide this opportunity to students! We offer tours in the mornings from 10am-12pm by **appointment only**. Please call us at 203-946-8130 x 140 to discuss scheduling.

Creative Programs

The Stitch Niche: A Fiber Arts Meetup

Tuesday, October 14, 6-7:30 pm

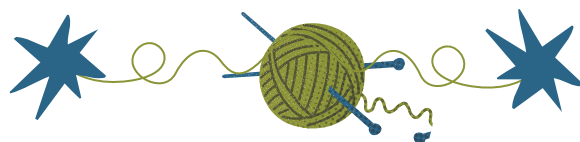

Bring your current knitting, sewing, crocheting, or other fiber arts projects and meet with other crafters in a casual and friendly setting! No experience is necessary. A small amount of supplies will be available for beginners.

Fiber Arts Fundamentals: Knitting Machine Mini Hats

Tuesday, October 21, 6-7 pm

This month you can learn how to use our little knitting machine to make a miniature hat. This would make a cute ornament, or it could be used for doll clothes. Once you know how to use our little knitting machine, you can use the same skills to make a full-size hat on our big knitting machine! We'll also show you how to make yarn pom-poms to decorate your hats.
